- 3.15 acres
- 6812 Finished sq. ft.
- 7710 Total sq. ft.
- 6 bedrooms, 8 baths
- Oversized 4 car garage

Enjoy the peace and tranquility of Flying Horse North from the expansive covered deck overlooking vast mountain views.

The truly “open concept” plan flows seamlessly from the spacious kitchen to the great room, and into the large dining room surrounded by windows. There is an immense butler’s pantry adjacent to the mud room.

Upper level features a cozy loft with large windows to bring in natural light and a full bathroom.

Enjoy a see-through fireplace between the great-room and study. The home also includes fireplaces in the Master bedroom, lower level rec room and on the deck

The master suite offers a free-standing soaking tub, spacious shower with four showerheads, double vanities, and over-sized custom closet with direct access to the laundry.

The walk out lower level includes 3 bedrooms, each with its own private bathroom and walk in closet. An expansive game room, serving bar, big screen television, glass enclosed wine room and an abundant amount of storage!

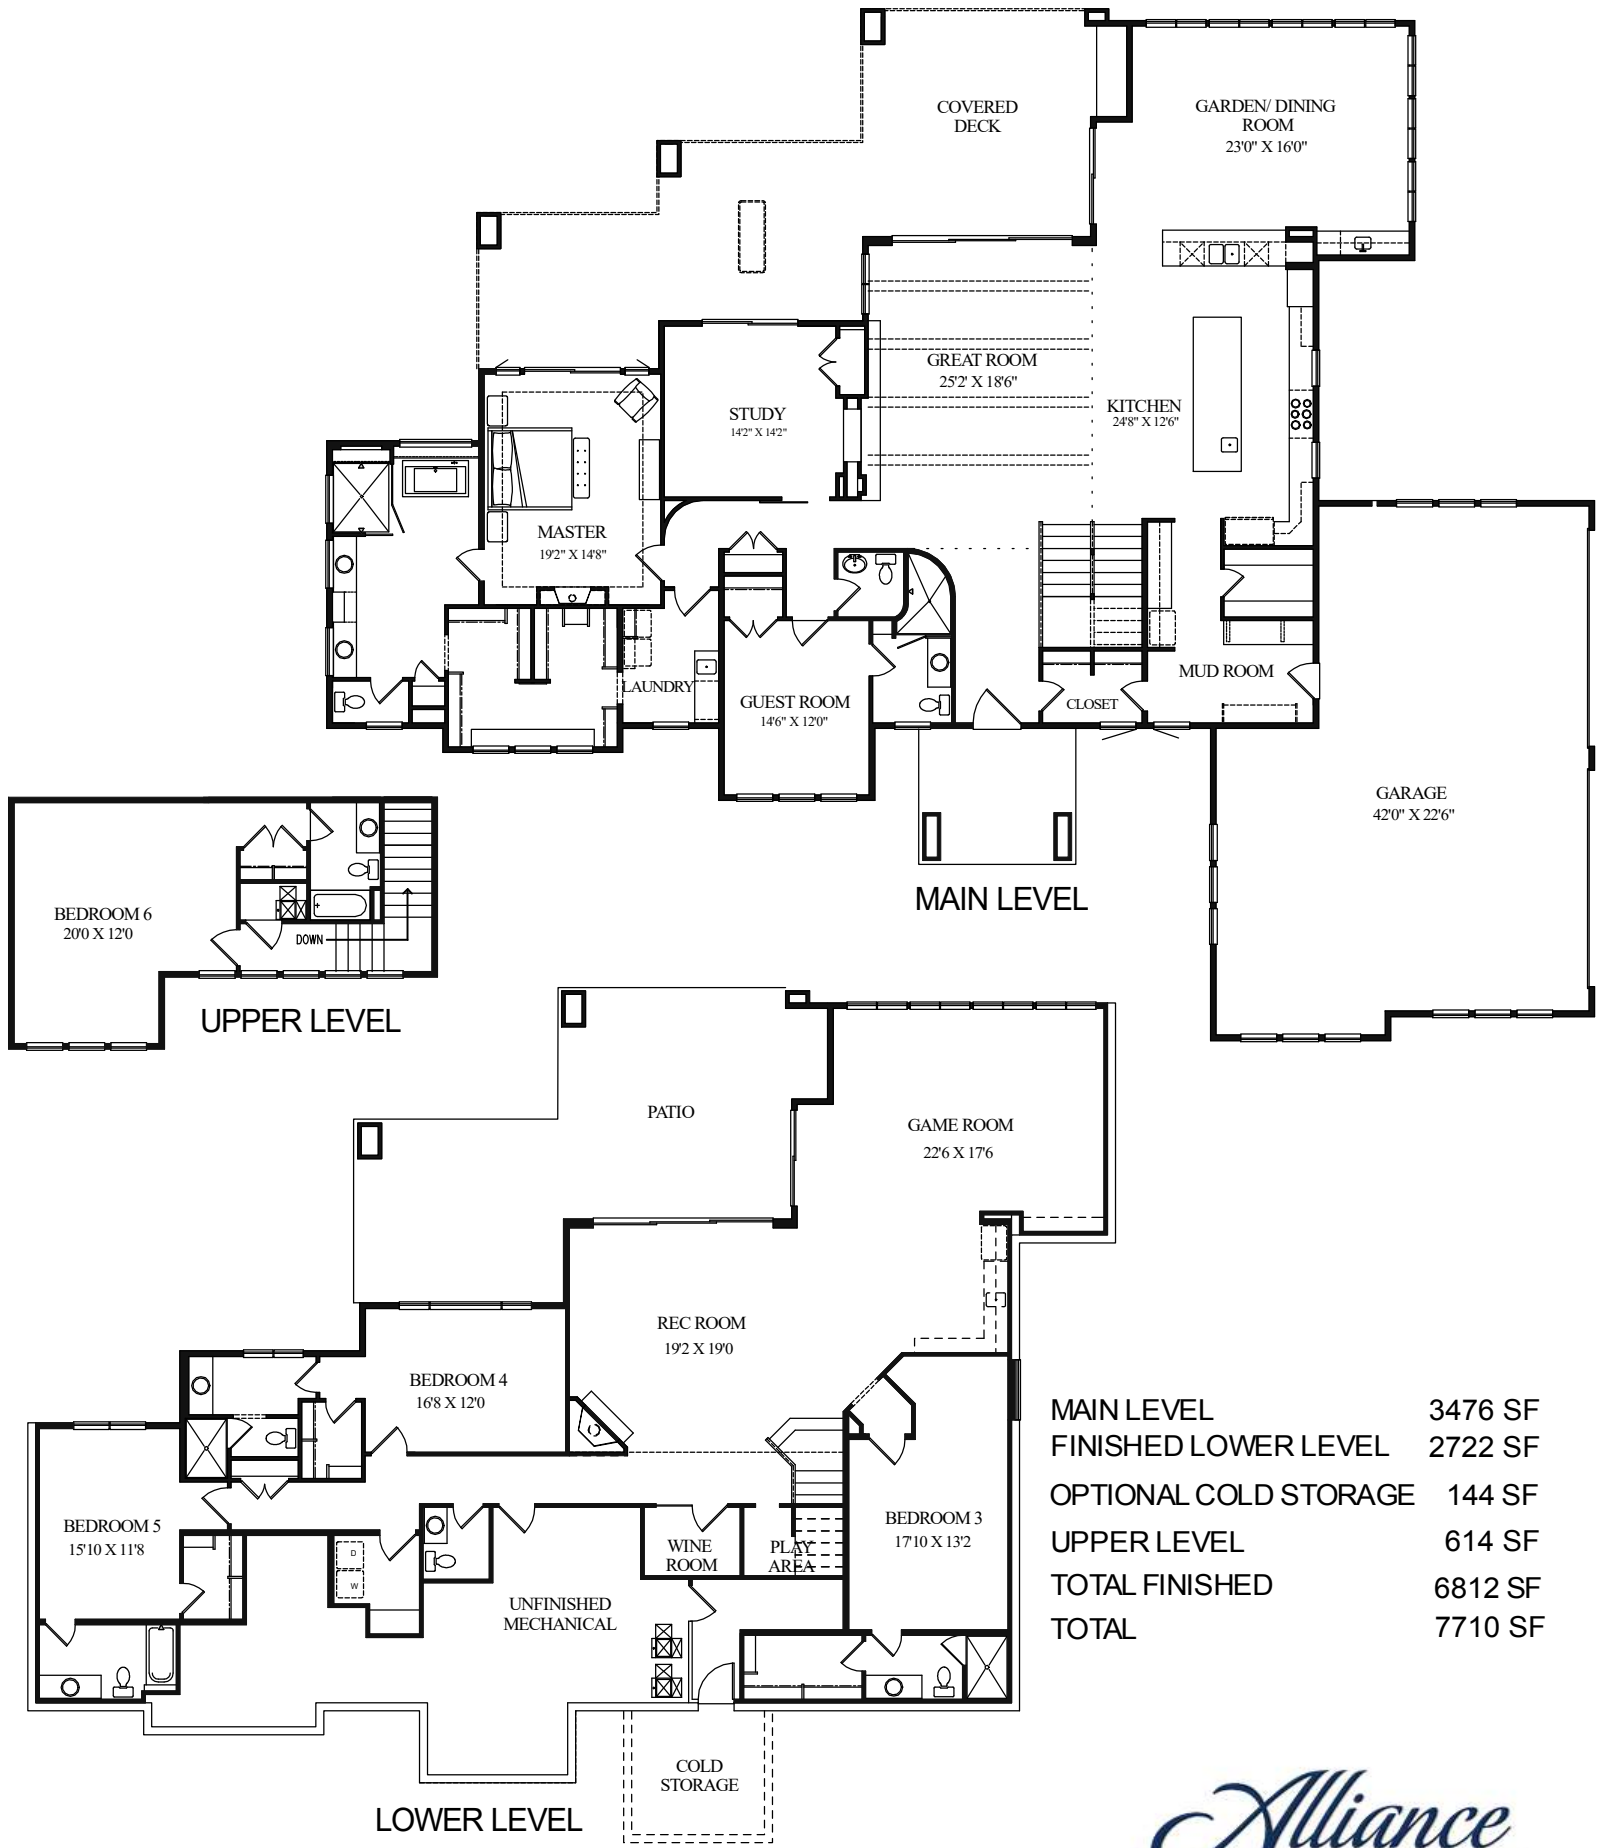

**This home is available for move in September 2021.**
